Maximum vacation will be five (5) weeks regardless of number of years employed. All full-time employees of the village shall be entitled to paid vacation time as follows:

Upon hiring (40 hours) at an accrual rate of 1.538462 per pay period;

An employee cannot accrue vacation hours in excess of (2) times their yearly vacation hours. The employee will lose any hours that exceed this cap. Upon termination, the employee will be paid for any awarded vacation time not yet taken.

SECTION 4: HOLIDAYS. All full-time employees shall be entitled to receive the following holidays off from work with eight (8) hours of pay at their regular wage rate as fixed by Council:

Personal holidays must be approved in advance by supervising executive authority.

If any such holiday, except a personal holiday, falls on a Saturday, the preceding Friday shall be granted as a holiday. If any holiday falls on a Sunday, the following Monday shall be granted as a holiday.

Employees other than police officers will be paid at one and a half (1 1/2) times, in addition to holiday pay, if the nature of the job requires them to be on duty on the holiday.

Police officers will be paid 8 hours of holiday pay on the day of the holiday. If a police officer works on the actual holiday, they will be paid at one and a half (1 1/2) times for those hours worked in addition to the holiday pay.

SECTION 5: SICK LEAVE. Full-time employees shall receive ten (10) hours per month for sick leave. Each part-time employee of this village who regularly works previously scheduled hours or shifts shall be credited with sick leave at the rate of four and six tenths (4.6) hours with pay for each eighty (80) hours of completed service. Employees may use sick leave upon the approval of the Mayor for absence due to personal illness, pregnancy, injury, exposure to contagious disease which could be communicated to other employees, and to illness, injury, or death in the employee's immediate family. Funeral leave is limited to a maximum of five (5) days. When sick leave is used, it shall be deducted from the employee's credit on the basis of one (1) hour for every hour of absence from previously scheduled work.

The Mayor shall require an employee to furnish a satisfactory written statement to justify the use of sick leave. No sick leave shall be granted upon or after retirement, but compensation therefore shall be paid as provided herein.

Unused sick leave shall be cumulative up to thirteen hundred sixty (1360) hours. Upon termination of employment, any employee with ten (10) or more years of regular full-time service with the village shall receive payment based on the employee's rate of pay at the time of termination times the number of unused sick hours not to exceed a maximum of 240 (two hundred forty hours). Such payment shall be made unless the employee

notifies the village in writing to transfer such accumulated sick leave pursuant to Section 124.38 of the Ohio Revised Code.

In the event of a catastrophic illness or injury to an employee or an employee's immediate family, (current spouse or child to include step-child) an employee is eligible to receive donated leave, provided the employee has exhausted all paid leave time and has been absent for a period of at least 30 consecutive calendar days and his/her absence is the result of the illness or injury. The Mayor shall determine if an employee qualifies for donated leave based on medical documentation provided to the Mayor by the employee. The maximum amount of leave time an employee is eligible to receive during the course of his/her employment with the Village is 520 hours.

Once a determination has been made that an employee qualifies for donated leave, the Mayor shall ask the employee or designee for an OK to notify Village employees of the need for donated leave time. Each employee's decision to donate such leave must be free and voluntary.

An employee desiring to donate leave time must complete an authorization agreement identifying the employee to whom the leave is being donated as well as a statement that the individual is forever waiving any right to such leave. Once the agreement is properly completed and received by the Village, the donated leave will be credited to the employee's balance. Donated leave may not be used prior to the date the agreement is received by the Mayor. Donated leave will be credited to an employee's balance in the order agreements are received.

**SECTION 6: COURT LEAVE.** The village shall grant full pay when an employee is subpoenaed for any court service or jury duty by the United States, State of Ohio, or a political subdivision of Ohio. If the times required for such court services fall within the employee's normal working hours, they will be excused from working his or her assigned shift. At the discretion of the employee's supervisor, the employee under subpoena may also be excused from working any shift immediately preceding or following the assigned court service. All such court compensation in excess of expenses (i.e., food, travel, and parking) must be turned into the Fiscal Officer. Employees who must be absent for court appearances that are personal in nature will be granted vacation leave or leave without pay.

**SECTION 7: OVERTIME.** Forty (40) hours shall be the standard work week for all full-time employees of the village. No employee shall work or be paid for hours in excess of forty (40) hours per week unless such overtime has been previously authorized by his or her immediate supervisor. Such supervisors shall be held accountable for the granting of overtime. When an employee is required under such authorization to work more than forty (40) hours in any calendar week, he or she shall be compensated for such time in excess of forty (40) hours at a rate of one and one-half (1 1/2) times his or her regular rate of pay.

For the purpose of determining whether a person has worked his or her forty (40) hours in any given week under this section, any pre-approved compensation absence shall be counted in addition to hours actually worked on other days during the calendar week. Pre-approved compensation absence hours may consist of the following: vacation hours, personal hours, compensatory time, holiday hours, and/or sick leave hours.

No work hour credit is given for unapproved or uncompensated time off.

With approval of the supervisor, an employee may elect to take compensatory time off from work in lieu of overtime pay. Such election shall be made in writing at the time the employee time sheet/voucher is presented for the period during which the overtime was worked. Compensatory time may be selected by overtime-eligible employees for any hours above forty (40) hours for the week. Such compensatory time shall be accumulated on a one and one-half (1 1/2) time basis for overtime-eligible employees. Time off shall be granted at a time approved by the supervisor. An employee eligible and entitled to overtime pay for working a holiday may also elect to take compensatory time under this section.
